

# City of Martinsville

## The Grapevine

July 2012

*City Of Martinsville "Shared Vision" – As faithful stewards of the public trust, we will create, in partnership with the citizens of Martinsville and the surrounding region, a strong, innovative, and unified community where every citizen may have the opportunity to become self-sufficient with satisfaction, pride and a high quality of life. "A City without Limits"*

Gary Setliff	Public Works	5 years

**Total Calls Taken In The Month Of May**

☎ Police – 2264    ☎ Fire – 30    ☎ EMS – 228

### § 46.2-833.1. Evasion of traffic control devices FROM THE MARTINSVILLE TRANSPORTATION COMMISSION

It shall be unlawful for the driver of any motor vehicle to drive off the roadway and onto or across any public or private property in order to evade any stop sign, yield sign, traffic light, or other traffic control device.

This means that you can't drive through a public or private parking lot, driveway, a shopping center or mall lot because you don't want to wait for a traffic light or other traffic device. You could be subject to a ticket for evasion or reckless driving, if you endangered life, limb or property. In some cases you could be charged with trespassing.

Conviction of Evasion carries three (3) points on DMV driving record for three (3) years. Fine and cost together would be over \$100.00. Posted signs are not required to be charged

**"Potato chips aren't rubbery and blubbery like fat.  
They're crispy and crunchy like lettuce.  
That proves they're diet food!"**

Health Reimbursement Accounts (HRA's) and Health Savings Accounts (HSA's) help employees pay for the health plan's high deductible. Each member's HRA is fully funded by the City and will pay the last \$1,000 of a single deductible and the last \$2,000 of the family deductible.

Health Savings account contributions are "tax-free" and employees may make contributions with the use of payroll deductions or payments directly to our HSA administrator. The interest earnings on your health savings account accumulate tax-free. HSA dollars carry over from year to year. Health savings dollars belong to the employee. Their respective account will always

belong to employee even if you retire or terminate employment with the City. For all employees that participate in the health insurance benefit, the City will provide a contribution to the health savings account in the amounts of \$500 for single coverage or \$980 for dependent coverage. New this year, the City will contribute an additional \$220 to an employee's health savings account with proof of employee having an annual physical. IRS regulations on health savings accounts for 2012 are as follows: \$3100 for single coverage and \$6250 for dependent coverage. If you are age 55 or older, at any time during this tax year, you may contribute an additional \$1000 to single or dependent coverage accounts.

**Condolences go out to Cindera Martin (Retiree) in the death of her brother Jesse Gilbert on June 8th...and to Eddie Frazier (Public Works) in the death of his father A. V. Frazier (Retiree) on June 19th.**

**Congratulations to Tony Beal (Fire) on the birth of his grandson, Noah Allen Fulcher born on June 24th.**

**Each month this year, one employee could win a \$25 Kroger gift card.**

**The winner for June is  
Scott Errichetti (Electric)**

### REMINDER TO ANTHEM PARTICIPANTS:

In order to receive the additional \$220 in your Health Savings Account this plan year you must provide documentation of an annual physical. Forms to be completed by your doctor are available in Human Resources.
